

# Heaven

Dream Furniture for your Salon

# HEAVEN – ITALIAN ELEGANCE AND FUNCTIONALITY

> **EXCLUSIVELY** from alessandro International

In partnership with NILO by Maletti, the Italian furniture designers and leading manufacturers of top quality spa furniture, alessandro International has developed a timelessly elegant range of furnishings for nail salons. The star designers from the world famous furniture company have been working very closely with the alessandro nail designers to ensure that the exclusive furniture not only looks stylish, but is also perfectly suited for everyday use in the salon. Quality and sustainability are just as important in this process

as functionality and uniqueness. The result is salon furniture with a well-rounded, elegant and feminine design that lives up to the very highest requirements. This means acid-resistant, scratch-proof work surfaces, sturdy construction, practical storage spaces and a comfortable, ergonomic design that will also impress customers. It is therefore no surprise that we have named this furniture collection HEAVEN because you are sure to feel like you are in heaven with this unique furniture range.

## TABLES

### > Starlight

black

#### Pro Tip

##### More storage space

The professional nail tables have been developed by NILO by Maletti together with experienced nail designers from alessandro International. During the process many practical details were incorporated, such as modules for the UV devices or electrical sockets in the base for additional electrical working equipment.

## RECEPTION & PRESENTATION

- > Welcome

Table Starlight (with dust extraction)

Elegant, ergonomically shaped manicure table with a tabletop made of solid laminated wood and with a premium-quality aluminium substructure and feet, guaranteeing maximum stability. The spacious work surface is made of acid-proof, scratch-resistant safety glass that is easy to clean. Two aluminium panels underneath the table provide space for the light-curing devices, thus creating more work space. Eight integrated plug sockets for all the tools and equipment you need.

The integrated dust extraction system has especially powerful suction thanks to its two high-power motors. A special Nano High Flow system filters even the finest dust particles. Filing dust can be quickly and easily removed with an innovative new drawer system. An integrated carbon filter also extracts any unpleasant odours.

Note: The Starlight table is delivered fully assembled. Please take note of the exact dimensions.

Packaging dimensions:  
Length: 920 mm  
Width: 1600 mm  
Height: 1030 mm  
Weight: 87 kg

Product 21-600

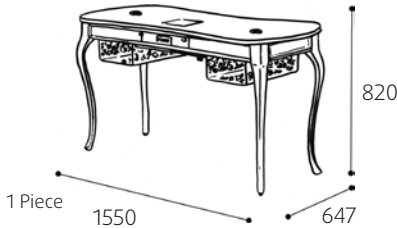

Table Moonshine

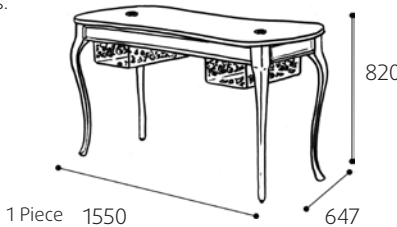

Elegant, ergonomically shaped manicure table with a tabletop made of solid laminated wood and with a premium-quality aluminium substructure and feet, guaranteeing maximum stability. The spacious work surface is made of acid-proof, scratch-resistant safety glass that is easy to clean.

Two aluminium panels underneath the table provide space for the light-curing devices, thus creating more work space. Eight integrated plug sockets for all the tools and equipment you need.

Note: The Moonshine table is delivered fully assembled. Please take note of the exact dimensions.

Packaging dimensions:

Width: 1600 mm  
Height: 1030 mm  
Weight: 76 kg

Product 21-601

Container Satellite

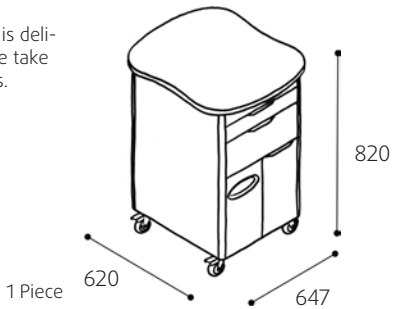

Work container made of solid laminated wood with plenty of storage space for all tools and work materials. The surface top is made of scratch-proof and acid-resistant safety glass. Stable Speedy Rollers ensure the container can be turned and moved around easily.

The integrated drawers with different heights can be fully pulled out and there is also extra space for a rubbish container. The working container is shaped so that it can also be used as a divider module between two work tables.

Note: The Satellite container is delivered fully assembled. Please take note of the exact dimensions.

Packaging dimensions:  
Length: 730 mm  
Width: 730 mm  
Height: 930 mm  
Weight: 61 kg

Product 21-602

Self-Service Bar Angel

The self-service bar is perfect for presenting Striplac products and as a customer counter. It is made of solid laminated wood and has a premium-quality aluminium substructure and feet, guaranteeing maximum stability. Customers can paint their own nails or it can be used to demonstrate test nails. The work surface is acid-proof, scratch-resistant and easy to clean.

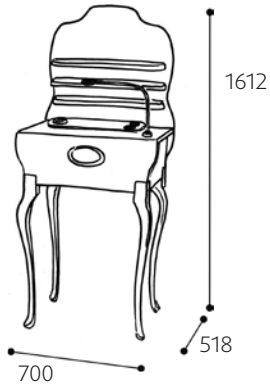

Integrated compartments for files, cosmetic wipes and rubbish ensure that the surface is used to its full potential. The flexible work lights are touch-operated and light up the work surface perfectly.

Note: The self-service bar is delivered fully assembled. Please take note of the exact dimensions.

Packaging dimensions:  
Length: 820 mm  
Width: 660 mm  
Height: 1770 mm  
Weight: 105 kg
